

## Join the Internal EUP AH&W Programme Second set of JIP Outlines

17 new Actions from the EUP AH&W SRIA have been selected for the next internal programme and interested scientists from the Research Performing Organisations (RPO) involved in the partnership are invited to take part in these Joint Internal Projects (JIPs).

[JIP outlines](#) describing the project objectives, some expectations on the content and expected outcomes and impacts have been prepared and distributed to the General Assembly (GenA) members of the partnership.

On **7th of February 13:00-14:00 CET**, all RPO interested in the Internal Programme can join a webinar organised to explain the process and answer your questions. More information will be available through the RPO GenA members.

Thank you for your interest in the EUP AH&W!
